Dear Shareholder,

Re: Migration of Share Registry Services to Liquidise.

We are writing to inform you that EnviroMission Limited has made the strategic decision to migrate our share registry services from Computershare to a new, technology driven platform—Liquidise.

This decision reflects our ongoing commitment to adopt agile, investor-centric solutions that improve engagement, reduce OPEX, and simplify shareholder administration. Liquidise is a next-generation digital registry platform purpose-built to meet the evolving needs of modern companies and their shareholders.

Why Liquidise?

The transition to Liquidise offers Shareholders several key advantages over traditional registry services, including:

Simplified user experience with a secure, modern online interface

Faster share transactions and real-time access to holding information

Streamlined communication tools, enabling direct engagement with management

Lower administrative overheads leading to long-term savings

Environmentally sustainable – eliminating the need for paper-based communications

As we finalise the migration process, we are updating our shareholder contact records to ensure a seamless transition. To complete this migration, we kindly ask that you provide us with your email address that corresponds with your existing Computershare account. This will help us validate and correctly match your holdings during the transfer process.

Action Required – Please Complete the form located in the link below to connect your share holding to your correct account details. With this information, the team at Liquidise will be able to invite you to the platform and view your holdings:

LIQUIDISE

Liquidise Investor Information Form

Please complete this form to help us gather the information required for the purpose of inviting you to the Liquidise platform. Once this form is completed, our team will invite you to Liquidise to create an account and view your holdings. For any questions or queries with regards to this form, or Liquidise more generally, please contact support@Liquidise.com.

We thank you for your ongoing support, and look forward to delivering a better shareholder experience through Liquidise.

Sincerely,

The Board of Directors
EnviroMission Limited

Liquidise.
